

Czech Fireball wishes  
to invite all Fireball sailors to the  
**2010 Fireball Europeans**  
to be held from  
**25th of September**  
**till 1st of October 2010**  
at Nove Mlyny, Pavlov, Czech Republic.

**YC Dyje:** 48°52'24.75" N 16°40'55.06" E

**Airport distances:** Brno airport is some 40 kilometres away, Vienna 109 kms, Bratislava 121 kms and Prague airport is 272 kms.

**Climate:**

September average windspeed is 11 knots and average highest daily temperature 18°C. It is the warmest and almost the most arid area in the Czech Republic, and therefore vines are cultivated here.

**Accommodation:**

Large camping area with new facilities directly in the Yacht Club Dyje will be available to all competitors and supporters at low cost or free of charge. Hotels and apartments are in the village, some just across the road.

**Programme:**

Saturday	25th	registration and measurement
Sunday	26th	registration, measurement and practice race   opening ceremony and party
Monday	27th	racing
Tuesday	28th	racing
Wednesday	29th	racing   midweek party, wine tasting
Thursday	30th	racing
Friday	1st	racing   prizegiving and closing ceremony and farewell party
Saturday	2nd	departure

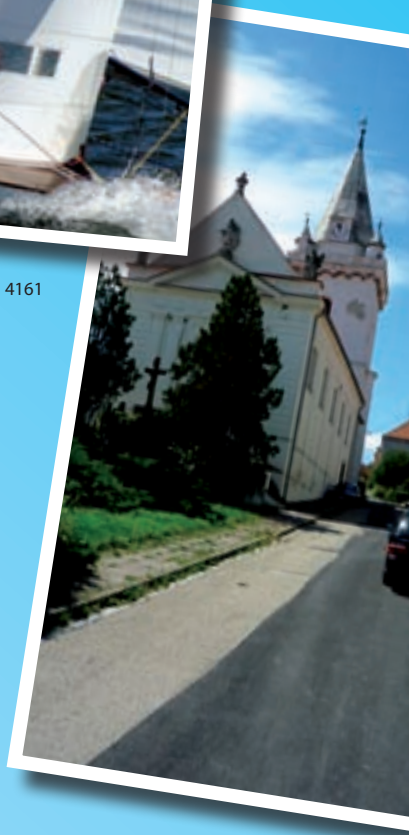

Entry fee at around 200 Euros.

## Region:

Without exaggeration, the Southern Moravia region represents the crossroads of Europe. Since time immemorial, routes travelling from east to west and from north to south have intersected here. The region remains attractive today with its position in the southeast corner of the Czech Republic, near the border with the European Union. In addition to historic sights and natural beauty, some protected by UNESCO, visitors are attracted by the cordiality and hospitality of its inhabitants, who are proud of living in Southern Moravia. Judge for yourself whether their pride is justified. Find more at <http://www.jizni-morava.cz/en/>.
